World Creativity and Innovation Week

To help celebrate World Creativity and Innovation week, we are joining with the Center for Creative Solutions, Michigan City, on **April 22, from 5 to 7pm** at the IU Health facility, Michigan City. At this event, we will celebrate the birthday of Leonardo da Vinci and promote our region's most important growth strategy - creativity and innovation!

The Society of Innovators of Northwest Indiana is a project of Ivy Tech Community College Northwest's Gerald I. Lamkin Innovation and Entrepreneurship Center (I & E Center). Launched in 2005, the I & E Center is based at the Gary campus but also serves the East Chicago, Michigan City and Valparaiso campuses.
